EXAMINER'S AMENDMENT

An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on March 29, 2004, Penny Prater requested an extension of time for 2 MONTH(S) and authorized the Director to charge Deposit Account No. 03-1620 the required fee of \$310 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

- Claim 11. (Currently Amended) The process of Claim 10, further comprising passing the low sulfur effluent to the hydrotreating catalyst layer.
- Claim 14. (Currently Amended) A crude oil desulfurization process comprising:
 - (a) hydrodesulfurizing a crude oil feed in a crude desulfurization unit to obtain a desulfurized crude oil,
 - (b) separating the desulfurized crude oil and isolating a light gas oil fraction, a vacuum gas oil fraction and a residual fraction,

Art Unit: 1764

(c) passing the vacuum gas oil in combination with hydrogen to a first hydrocracking reaction zone, where it is hydrocracked to produce a first hydrocracking zone effluent;

- (d) passing at least a portion of the first hydrocracking zone effluent to a second hydrocracking reaction zone comprising a multiplicity of catalyst beds, including at least one hydrotreating catalyst layer which contains catalyst preselected for high hydrotreating activity,
- (e) passing the light gas oil fraction of step (b) to the hydrotreating catalyst layer of step (d) for hydrotreating the light gas oil fraction, and
- (f) recycling at least a portion of the combined effluent of steps (d) and (e), to the second hydrocracking reaction zone.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Walter D. Griffin whose telephone number is (571) 272-1447. The examiner can normally be reached on Monday-Friday 6:30 to 4:00 with alternate Fridays off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Glenn Caldarola can be reached on (571) 272-1444. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
